

Dear Racers:

Welcome to the 2020 season at The Bullring at Las Vegas Motor Speedway. We are very excited for all the change in store for the new season. We are optimistic that these changes will bring new challenges for our racers and bring great racing to our fans.

This year we will have a Bullring Registration Day for all racers on February 8, 2020. Registration will take place from 8:00 a.m. to 3:00 p.m. at the Bullring credentials building. Please take notice: if you are not a member of the 2020 Bullring points season you will not receive end of the year Championship Series payouts or contingency programs throughout the year. 2020 Bullring members will benefit from free spectator gate tickets and other member benefits randomly throughout the year. The deadline to purchase your 2020 Bullring registration is April 18th, 2020. Also we will have our only 2020 Pre-Season Open Test session on Saturday, February 8, 2020 from 10:00 am to 6:00 pm, the cost is \$125 per car and driver and \$20 for crew members.

Again for this year we will not reserve any pit stall for the 2020 season. All pit stalls will be first come first served on a weekly basis. This should make racing more affordable for all racers.

We encourage everyone send their packets in the mail or to attend the Registration Day on February 8, 2020 in order to return this packet and pay for registration.

Within this packet is all the information needed to start the season for each racer. Please complete this paperwork as instructed, and bring it with you on registration day. If you are unable to attend, please mail your packet and payments to:

Las Vegas Motor Speedway Attn: The Bullring 7000 Las Vegas Blvd North Las Vegas, NV 89115

<u>In order to retain your 2019 car number all packets must be returned no later than</u> February 8, 2020 at 3:00 pm.

If you have any questions please contact Tim Richter, at trichter@lvms.com

Thank you!

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income. and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- · An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or

Date >

A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
